Although too young to be performance tested as a two year old when he was exported to New Zealand, Kallista Field's Salutation, is undeniably living up to his incredible world class lineage. This son of the famous Sandro Hit is an outstanding example of Germany's purpose bred, modern high-performance equine athlete. Salutation clearly displays his impeccable breeding lineage with world champions in his sire and dam lines, generation after generation. Salutation's sire Sandro Hit was 1999 6Yr World and Bundes Champion; Diamond Hit – 5Yr Reserve World & Bundes Ch in 2002; and Don Schufro rated by the German Federation as the 2004 top dressage breeding stallion in all of Germany. Fienna also has an exceptional lineage that includes famous stallions Welt Hit II, Weltmeyer and Donnerhall. Fienna's grand dam, Fantastica, produced Sunny Boy and is also a full sister to Don Schufro. Salutation's grand dam is the famous elite mare Loretta who has produced a number of exceptional horses, including Sandro Hit, Diamond Hit, and Royal Hit. Her dam sire Welt As produced the dressage 2000 Olympic gold medallist, Bonfire, ridden by Anky van Grunsven. Sandro, Welt As and Calypso II also have sired a number of top jumping horses currently breeding and competing in Europe.
