

UTAH

1997 PALOMINO Gisborne Bred – 15hh

Palomino Gisborne bred solid cob. 15hh , 10 years. Paddock serve. Proven sire. We only acquired Utah 6 weeks ago. He had not been ridden in some time and was trekking with us in the first week. Previously Utah was the Stallion at a hill country station in Hunterville. Leaving foals with excellent temperament and athletic movement. Great cross with lighter boned mares like T.B & Arabs.

Utah is a real “ Coasty” never seen a float or had a rug on before coming to us. Quite happy to tether on the road side with traffic speeding past. He has come along way.

Fully vaccinated & colour tested.

Service fee: \$400

Paddock serve (hand serve by arrangement)
